The purpose of this form is for you to provide us with sufficient information to enable us to generate a quotation. This form does not commit you in any way. If you do accept our quotation then you will be required to provide an official purchase **at least 2 months** prior to the required delivery date on the quotation.

Please complete this form for each species/ tag type/ deployment season. Once we have agreed upon an order we will discuss with you the software settings appropriate to your application.
